REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 17th March 1888, No. 261:—

H. S. THOMAS, ESQ., F.L.S., F.Z.S.

Read—the following letter from G. CAMPBELL, Esq., Acting Head Assistant Collector of Bellary, to the Collector of Bellary, dated 19th January 1888, No. 159:—

Referring to rule 18 of the rules framed under the Land Improvement Loans Act for the construction of wells, I have the honor to request to be informed whether the loan can be granted for the construction of a well—

(1) in an inam land (personal) subject to the payment of quit-rent,
(2) in a service inam land not yet enfranchised, and
(3) in a land situated in a shrotriem village.

Endorsement by H. ST. A. GOODRICH, Esq., Collector of Bellary, dated 7th February 1888, Reference on Mis. Eng. No. 207.

Submitted for the orders of the Board of Revenue (Land Revenue).

2. In the opinion of the Collector loans under the Act referred to cannot be granted for construction of wells in the third case stated. It seems doubtful whether the intention of Government is that they should be granted in the two former cases.

Resolution—dated 17th March 1888, No. 261.

Submitted for the orders of Government.

2. The rules appear to have been framed with reference to ordinary ryotwari lands. There is, however, no reason why loans should not be made on lands in the first and second categories under reference.

ORDER—dated 15th May 1888, No. 338, Revenue.

Land Revenue, No. 34.

The Government observe that the special rules for advances for the construction of wells printed as Notification No. II in G.O., dated 7th June 1886, No. 434, are intended to refer only to ryotwar lands and that they cannot be applied to unenfranchised inam lands, which cannot be sold for the recovery of loans granted. Loans for improvements to enfranchised inam lands as well as lands in zemindaris should be made under the general rules, the procedure prescribed by rules 14 to 17 being observed in cases where the loan is applied for by a tenant. Loans may be granted under the general rules in the case of unenfranchised inam lands also, provided collateral security sufficient to cover the loan is furnished.

The Hon: Mr. Master C.S.I.

For orders

The Special rules for advances for digging wells ~~published~~ applied as notification II in G.O dated 7 June 1886 no 434 were intended to apply to wet and dry lands ~~only but there is no distinction~~ They cannot be applied to unenfranchised service Inams as there cannot be sold for the recovery of the loan. In the case of enfranchised personal Inams & Shrotriams also there is the question as to the right of a tenant to make improvements & loans can be granted only under the general rules. Vide Notification I Nos 14, 15 & 16.'

It would perhaps be safer to hold Kandikai as indicated above but I do not feel sure that the view taken by the Bd. is not correct.

Draft as proposed in the office note. Take it as ruled that lands in the second category cannot get help either under the Special or General rules? Is this not unintentional on the part of the rules?
