NOTE FOR THE SECRETARY.

G. O. 12 January 1888 No. 40.

It has been usual in similar cases to simply republish the notification and the rules. On reference to the Act, however, I find that it is not necessary to republish the notification and the table of rates prescribed under S. 44. In the draft now submitted, I have not therefore proposed the republication of the notification and the table of rates.

It seems to me also that the mere republication of the rules in the Gazette without any intimation that they have been "passed" does not meet the requirements of S. 23. I have therefore submitted a draft notification intimating that the rules have been published for six weeks as required by section

23 and are now republished as passed.
