## Proceedings of the Board of Revenue

(Land Revenue).

Dated 2nd July 1888.

No. 3957 Mis.

N. J. Whiteside Esqre

The following letter from the Collector of Tellary dated 19th June 1888 Reference No 929.

In accordance with Board's resolution Routine No. 2006 dated 2nd July 1888 the Principal Medical Storekeeper shipped to this office 24 lbs of solid and 16 lbs of fluid Chinchona Febrifuge for distribution to Tahsildars for sale in their Talugs Of this only a small quantity has been sold by the Tahsildars of Addoni and Kudligi and the remaining Tahsildars report that no one would purchase them As medicines are supplied gratis

in all the Dispensaries. Under these circumstances I have the honor to request that I may be allowed to direct the free distribution of the Febrifuge to those in need.

Resolution.

Submitted for the orders of Government

2. The Collector indented for the febrifuge for distribution among the Tahsildars for sale.

3. He now finds that the people are unwilling to pay for the febrifuge and asks permission to distribute it through Tahsildars gratis.

4. The Board support his application with reference to para 2 of Government Order dated 10th April 1888 No. 247.

For orders.

The gratuitous distribution of the febrifuge generally was sanctioned in G.O. 10 April 88, No 247 Rev. and this particular quantity may, therefore, be given away as proposed. But in future the bulk of the Govt bark will be turned into quinine and it may be doubted whether it is necessary to distribute this gratis, for its properties are well known in feverish dts. and a moderate price would willingly be paid for it.
