From
Government of India
Treasury and Commerce Department
Sir, *the 10th October 1879.*

To
The Secretary to the Government of Madras
Revenue Department.

I am directed to acknowledge the receipt of your letter of the 10th August 1879, furnishing the information called for in the letter from this Department of the 6th November 1878, as to the nature of "Spanish" pensions, and stating what powers are at present exercised by the Government of Madras in respect of such pensions, and what powers that Government desire to exercise in future. A further request is made that the Madras Government may be allowed to exercise the same powers as hitherto with regard to certain allowances granted (1) in favour of charitable institutions

institutions and (b) as compensation for
resumption of legal office or practice.
In the reply I was hoping that the
Government of India understood that
the Government of Madras is content
with the continuance of money in
existing shape and does not
make fresh issues under the same
stamp. I am to state the Government of India
has no objection to that Government
continuing to administer the pounds of both
pounds and the other alternative
mentioned in the system set out in the
letter under reply but that as it is
considered desirable to have the practice
defined by rules if possible the Government
of India would be glad to receive a draft
of such rules framed in accordance with
the principle stated in your letter.

I have the honour to be,
Yours faithfully,

Gandhi

Secretary to the Govt of India

NOTE FOR THE Secretary

I enclose the B.O. and if reported
in the H.M. note L.O. Date 31 Sept 1888
all applications for payment of arrears of
rent should be sent to Govt. direct, as
also the correspondence regarding the same.
In many cases the Board could not pass
final orders and had to send the papers
to Govt. In these it was intended to
relieve it of the work of merely passing on
the papers. ^{21. 1888} ~~They~~ the power to dispose

Revenue Board Office,
(Land Revenue),

Dear Gallon.

We are passing through the
P.M. Standing orders, Cap. 121
As to "Germinal, State Pension"
the Board are not quite clear
as to the wishes of Government.
The Govt. in G.O. 5th Sept 88 1001.
Rev. approved of the suggestion
made in para 31 of the 15th 1888
Proc. read in that Order. ¹⁸⁸⁸
that correspondence regarding

provisional or state
provisions should be sent
direct to governments. Does this
mean that the control now
exercised under the I.O's, 135,
136, 137, as to leave "Comments
by the B² Phases Case & the
transferred - or do governments
only wish that they should
have orders direct on "Orders
of Provision" and "Succession to
Provision" ² of the whole

Control is to be taken away
from the Board - the
revised S.O. will require
further revision if not
the Chapter can at once go
on - The work involved
is so trivial that it is
hardly matters.

Yours
Sincerely

In Hamman's
