GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again G.O., dated 17th October 1889, No. 845, Revenue.

ABSTRACT.—*Revision of Revenue Establishments.*—Ordering that the sanction of the Government of India be obtained to the carrying cut, from the beginning of the next official year, of the proposed improvement of the staff of revenue inspectors, and directing the Board to submit a detailed statement showing the districtvar distribution of revenue inspectors and to work out the arrangement suggested by the Collector of Vizagapatam for the collection of inam quit-rents.

READ—also the following Proceedings of the Board of Revenue (Land Revenue), dated 14th June 1889, No. 3473, Mis. :—

Read—the following letter from R. W. BARLOW, Esq., Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 9th April 1889, Reference on No. 985-G. & B. :—

I have the honor to request that the Boarl will be so good as to pass early orders on my letter, Reference on No. 985-G. &. B., dated 20th September 1888, as, without the additional establishment therein asked for, much inconvenience is felt in the despatch of work in this office. If, as I surmise, the delay is owing to the non-receipt of proposals from other districts, I request that, should the Board see no objection, I may be permitted to entertain the establishment in anticipation of the necessary sanction. Soliciting the favor of an early reply.

Resolution—dated 14th June 1889, No. 3473, Mis.

Submitted for the favorable consideration of Government with reference to Board's Proceedings, dated 15th May 1889, No. 323.

ENCLOSURE.

From R. W. BARLOW, Esq., Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 20th September 1888, Reference on No. 985-G. & B.

Referring to Board's Proceedings No. 763, dated 4th September 1888, I have the honor to report that, of the increase of establishment recommended to this district by Mr. Garstin and approved by Government, the marginally-noted menial staff, at a monthly cost of Rs. 34, is now urgently required, and I solicit that necessary sanction may be accorded as soon as possible.

2. The need for this establishment having already been represented and admitted, I need add nothing on the subject. Prior to the recent transfer of the Abkári Department to the Deputy Commissioner of Salt and Abkári Revenue, two peons of that department were

always working in this office and now having been taken away, it has been found impossible to provide sufficient messengers for the daily increasing correspondence.

3. The necessary proposition statement is enclosed.
