SIR,

With reference to the letter from
the Principal Medical Storekeeper, Madras,
No. 2203 dated the 29th November 1889, Communicated
to me under G. O. No. 8088 dated the 13th December
1889, Revenue. - I have the honor to point out that
the above officer appears to have made a
mistake, when he states that it was proposed
in G. O. No. 854 dated the 18th October 1889,
para 3, to sell the quinine, now turned
out at the factory at Naduvattam, at
six annas per ounce, as a reference
to the G. O. in question will show that
the proposal was to sell it at six annas
per quarter ounce.

I have the honor to be
Sir
Your Most obedient Servant
