Extract from the Proceedings of the Government of India, in the Home Department (Medical), under date Simla, the [illegible] April 1890.

17 APR 90
GOVERNMENT OF MADRAS
18 APR 90
REVENUE DEPARTMENT

RESOLUTION.

IT appears to the Governor General in Council that all matters relating to the Government Cinchona Plantations and the manufacture of the drug can be more conveniently disposed of in the Revenue and Agricultural Department than in the Home Department, where they heretofore have been dealt with. His Excellency in Council accordingly directs that this branch of business shall be transferred to that Department. All correspondence connected with the Government Cinchona Plantations and the manufacture of the drug should, therefore, in future be addressed to the Revenue and Agricultural Department. All matters connected with the supply of the drug to medical stores or institutions will as heretofore be dealt with in the Home Department, to which the Revenue and Agricultural Department will refer any correspondence which, though primarily dealing with the plantations or factories, has any bearing on the medical use of the alkaloids produced.

ORDER.—Ordered, that the above Resolution be communicated to the Government of $\frac{\text{Bengal}}{\text{Madras}}$; to the several Departments of the Government of India; and to the Surgeon General and Sanitary Commissioner with the Government of India for information and guidance.
