Rev. Oct. 29 26.

From para 11 of the letter from the Board of Revenue of 20th September 1803 it will be seen that one Swami Saik of Senalputty in the Zimmedly District purchased some of the sequestered "havelly" lands of that district. Though the Board have asked for Summs to be prepared and sent to them for transmission to the Collector, the issue of these Summs cannot be traced.
In

In the minutes of Council
on the Board's letter there
is no reference to the Sur-
veys at all. The indices
of the subsequent years
up to 1906 have also been
looked into but nothing
further can be traced.

It is submitted that
a reference may be made
to the Board.

NOTE FOR THE Under Secretary

These two censuses (2925
and 2926) were returned
by the Old Record Office
only today. Considerable
pains had to be taken to
trace the papers wanted,
and hence the delay.

C.No. 2926/90

NOTE FOR THE UNDER SECRETARY.

The Petitioner applies for a Copy of the sale deed granted to the purchaser of Seralpatti Zemindari. Reference is made to this Zemindari in para 11 of the Board's letter to Government of 20-9-1883, in which the latter was requested to prepare and forward, for transmission to the Collr., permanent sannads to be granted to the purchasers of requested estates. The Record Office has not been able to find out these sannads, and it is therefore suggested that the application may be transferred for disposal either to the Collr. or the Board, who will, if necessary, apply to Government for sanction to the grant of the copy. It is not known whether there ^{was} is a sale-deed

the Pitkin) apart from
the land referred to above.
