Sir,

Referring to your letter No 406 dated the 25th Ultimo, I have the honor to inform that this Government has no Officer at present available to assist in the demarcation of the boundary between Travancore and Coimbatore. The Sircar will be glad if the work can, without inconvenience, be deferred to the next season. But if this cannot be done, they have no objection to Mr Porter doing the work alone, this Government reserving to themselves the right to have the demarcation inspected by one of their Officers before finally accepting the line.

2. They are of Course prepared to pay half the expenses.
