SUBJECT.

Requesting to be furnished with 2 copies of any reports by Mr. Bosworth Smith on the Leadores and Mines of the Cuddapah and Kurnool Ds.

For orders.

No regular report seems to have been submitted by the Govt mineralogist on the operations on which he was engaged in Cuddapah. Indeed Govt would seem to have been so dissatisfied with his mode of working there, that it came to the conclusion that his continuance in Cuddapah would lead to no useful result, and ordered him off to Kolar, before he had been working in the district quite Seven months. The results of whatever work Mr. Bosworth Smith did accomplish there are embodied in the diaries filed with the papers herewith submitted. It is a question for consideration whether Copies of these diaries should be sent in answer to the Director's Carnatak application

I think that copies of the diaries may be granted.
