SIR,

Through The Accountant General
Fort St George.

I have the honor to request that you will be so good as to obtain for me the sanction of Government for the purchase of a second hand Six horse power Boiler, offered for sale, on these hills.

2. The Boiler has been inspected by Mr W. E. Barham, of the firm of Messrs Barham & Co, Engineers, Reliance Foundry, Madras; and who reports that although called a second hand Boiler, it has never been used, and that it is as good as a new and unused one.

3 The cost of the Boiler in England, — Mr Barham states, would not be less than £40; and it has been offered by the party wishing to sell it, for £(375) three hundred and seventy five.

4 This R — can be met from

sum of Rs 9000 sanctioned in G. O. No 946 of 25 November 1889 - Revenue - in the current year's Budget Estimate under "Mineralogists contingencies".

I have the honor to be
