NOTE FOR THE Undersecretary

C.No. 7047/90

With reference to the Secretary's query on the back of C.No. 7047/90, the following is respectfully submitted. The draft was passed by the Undersecretary on the 3rd instant but was not sent to the Secretary at Coty as he had ordered that none but Simpson papers should be sent to him. The papers had, therefore, to be sent down to Madras to be placed on the Secretary's table. It appears to

have been received here with a number of other papers passed by the Secretary and sent to Secretariat. They were all left on my table by mistake. I came here only on the 10th instant and on looking into all the papers placed on my table found this current which I put into the Secretary's hand on the evening of the 10th. It was ordered that none but emergent papers should be sent to the Secretariat on the 10th. Hence the paper was seen by the Secretary only on the 14th.

Submitted to the Hon'ble Secretary.
