SIR,

In March last, I engaged Mr Edie, a retired Sergeant from the Royal Horse Artillery, and who had acquired a knowledge of working Machinery, while serving as Quarter Master Sergeant at the Lawrence Asylum, to act as overseer in the Quinine Factory, at Naduvattam, on wages of Rs 50 a month, rising to Rs 75, on his work being approved of at the end of six months.

2 The Accountant General has raised the objection that as this is a recurring payment, it ought to receive the special sanction of Government, and I have therefore to request that you will be so good as to obtain for me this sanction at an early date.

3. I need hardly point out how necessary it is, that a man should be appointed

appointed Overseer of the Factory, in question, who is at the same time skilful and thoroughly trustworthy, and Sergeant Edie has proved that he possesses both these qualities.

4. The sum can be met from the amount provided under "Ethnologists Contingencies" of Rs 9000 sanctioned in G.O. No. 946 of 25th November 1889. Revenue, in the current year's Budget Estimate.

I have the honor to be
Sir
Your Most obedient Servant
