SIR,

The Accountant General

Fort St George

I have the honor to request that you will be good enough to obtain for me the sanction of Government for the purchase, from Messrs Parkam & Co, Madras, of a Donkey Engine for Rs (175-0-0) one hundred & seventy five

2. As the Boiler, recently purchased, could not be worked without the engine, and as it is absolutely necessary to get the Mills started immediately, I have taken upon myself to order the engine, before obtaining an order from Government for so doing, in the expectation that under the circumstances, Government will approve of the course I have taken; of course, I fully understand that it is only under very exceptional circumstances that

that the purchase of goods above a specified sum, without the previous sanction of Government, can be warranted.

8. The charge can be met from the sum of Rs 9000, sanctioned in G. O No 946 of 25th November 1887 — Revenue — in the current year's Budget Estimate, under "Entomologist's Contingencies".

I have the honor to be
Sir
Your most obedient Servant
