To

The Chief Secy. to the Govt of Bombay

Sir,

I am directed to forward a bottle containing a sample of Sulphate of quinine manufactured at the Govt Cinchona Factory at Nadiwatam, and to request that it may be sent to the Medical Storekeeper, Bombay, for inspection and favor of report as to its quality. As the outturn of the factory will exceed the requirements of this Presidency, the Director of the Govt Cinchona Plantations will be able to supply quinine of the quality of the sample now sent at a price not greater than that charged for Howard's. I am accordingly to ask whether the Govt. of Bombay requires any, and if so what quantity, of the drug
