ARBUTHNOT & Co

Madras. 17th Octr 1890

From

Sir S. Ramascamy Mudeliar, Kt, C.I.E.
Madras.

To

The Chief Secretary to Government
Fort St George

Sir,

I have the honor to state that though I have not yet received it, yet I have learnt that there is a G.O. to me about my Choultry opposite the Victoria Public Hall, desiring me to do away with the bazaars from their present position and to re-build the walls on two sides and allowing me to proceed with the inner portion of the Choultry. I beg to inform you that I have already removed the bazaars from their present position as desired by the Hon. Mr. Garstin

and with regard to the walls on two sides I think that if the north side of the compound facing the V. P. Hall be replaced by an ornamental one it will be sufficient. And I shall feel thankful if the wall on the other side be allowed to remain as it is. When plastered in colors the present walls themselves will look nice. However, I hereby undertake to re-build also the wall of the eastern side ornamentally if Government think it necessary. But I make the above request only to avoid the extra expense.

As I am leaving here for Mysore in response to an Invitation from H.H. the Maharajah to witness the Dusserah Festival, I shall not be able to return before a fortnight. But as soon as I return I shall submit to Government a plan of the ornamental wall that is to be built in lieu of the present one facing the V. P. Hall. In the meantime I beg to request that for the safety of the cut timber and a lot of other materials now lying on the spot I will be permitted to retain the walls.

I have the honor to be
Sir
Your most Obed. Servt.
M Canekuzhy
