In order to replace the

Mr. Price's letter dt. 24 Feb 1888 no 170 it was requested that two Assistant Collectors might be allotted to this Presidency in 1889 and three in each of the succeeding years 1889-90-91. Only one officer known was posted to Madras in 1888 - two in 1889, so that there is a deficiency of two officers in the annual rate of recruitment.

The necessity for this extra recruitment is rendered all the more urgent by the fact, ~~that~~ intimated in Mr Muir Mackenzie's letter no. 683-F dt 15th Aug. 90, that no professionally trained officers will be sent from England in 1892. SIR,

As requested in your letter, No. 660-F, dated 15th August 1890, I am directed to forward, for the information of His Excellency the Governor-General in Council, a copy of the marginally-noted Proceedings of this Government, which gives cover to a notification of Mr. Gamble's transfer.

I am further to convey the acknowledgments of His Excellency the Governor in Council to His Excellency the Governor-General in Council for having arranged to allot to this Presidency three of the officers who will arrive from England at the close of the current year, but I am to point out that in Mr. Price's letter, dated 24th February 1888, No. 170, it was requested that two Assistant Conservators might be allotted to this Presidency in 1888 and three in each of the next three years 1889, 1890 and 1891.
