Proceedings of the Board of Revenue

(Land Revenue).

Dated 26th November 1890.

Forest No. 1204, Miscellaneous.

Mr. Whiteside.

*the following letter from the Conservator of Forests,
Northern Circle, to the Secretary to the Commis-
sioners of Land Revenue, dated 8th September
1890, No. 1562.*

*I have the honor to forward an indent for
3½ miles of tramway for Cuddalore, with copies
of the Collector's forwarding letters.*

*2. Before providing for the charges in the
Budget of 1891-92 I referred certain matters
for the advice of the District Forest Officer,
South Arcot, as to the appropriation of the
stock ordered; and referred the estimates
back to the Collector of Cuddalore for considera-
- tion. The conditions are not very similar how-
- ever, for the timber in Cuddalore is very small
compared with that of the Anamallais,
and the use of the tramway is more for
redwood logs and roots and for firewood.*

3. I think that the indent has been carefully made out, and may be accepted. A provision of Rs 14,000 has been made in the budget of 1891-92.

4. There will probably be a saving on exchange; but it has been thought better not to alter the estimates, as there may be incidental expenses in putting up the tramway, which have not been fully foreseen.

Resolution.

The indent received with the foregoing letter, will be submitted to Government for approval and transmission to the Secretary of State for India for compliance.

2. A sum of Rs 14,000 has been provided by the Conservator in the Budget for 1891-92, now before the Board.

3. $3\frac{1}{2}$ miles of rails have been indented for, and it is proposed to use them mainly on the Sechachellam reserve.
