K.V.P.

His Excellency
The Right Honorable
The Governor in Council

The humble representations of the
undersigned inhabitants of the
Zamindaree of Nujard
in the Krishna District

Most Respectfully Sheweth

- 1 That the petitioners are the ryots living in the Nagarid Gamindees of Rajah Pongayya Appasw bahadur Gamindees & Co.
- 2 That when the permanent Surnad was granted, the total demand on the estate was 144 thousand, and the Peishch was fixed to be 96 thousand leaving 48 thousand as the profit of the Gamindees. The demand on the estate, by torturing the ryots, at present is 7 lacs, thus leaving to the Gamindees a profit of 144 thousand after paying the same Peishch 96 thousand. This is against the paraks 1, 2, 15, 14, of the permanent Surnad.
- 3 That the Gamindees want to enforce conditions in their pattahs, which are penal, unjust, & unlawful and which will work great hardship on poor ryots.
- 4 That if the ryots do not yield to the terms of Shalook & to the enhanced rates, their cattle will be impounded and they will be put to inconvenience in several ways.

- 5 That the Zamindar is trying to enforce a stipulation in the p. 10, which will deprive the poor ryots of the enjoyment of the trees in their holdings as usual.
- 6 That the poor ryots are forced to pay fees to washerman, Carpenters, Chacklers, Shepherds and blacksmiths for their serving the Zamindar, although it can not be enforced by law.
- 7 That the poor ryots are forced to pay the Kurnams emoluments which are unusual & unjust, which mode of payment makes the Kurnams an implement of extortion in the hands of Zamindars.
- 8 That the ryots are being dragged from one court to another for to pay the highest rate than the permanent settled one & to bring the ryots under the Zamindar's thumb. The Courts in this district, civil, revenue Magistrate are being flooded with suits against ryots. This fact can be easily ascertained by District Judge & the ass Collector who are now with your excellency.
- 9 That the ryots are at a loss to know where they will stop from raising the tax. They want to be assured when the lord will say thus "Far and no further".
- 10 That the ryots are charged not only land tax and water tax. When dry was converted into wet, they are also charged with some thing in addition to the above two, when he has done nothing to get anicut water.

11

That though the wells were dug by the ryots at their own expense, enhanced rates are charged for crops raised under them.

12

That when the ryots do not yield to the penal & unjust conditions in the pattahs, the Zamindar, by the privilege of his being empowered to with the authority of distraining the ryots' property as he likes, ~~will~~ is putting the ryots to inconveniences as follows: the doors of the houses are taken away, the seats they sit upon at their meals, the brzen cups they drink with, the plates in which they take their meals, the seeds they sow, the bullocks & the necessary implements of the ryots for their cultivation, cows & the buffaloes separated from young calves, are attached & taken away. In this way the poor ryots are put to an immense loss & they are unable to carry on their cultivation in future. This is nothing but inherent procedure.

13

Locally the poor & unfortunate ryots beg to submit that the Secretary of State for India had passed a

a dispatch to the Government of
Madras 19 Feb, 1880, No 303. Thereupon the
Government of Madras issued orders to
the Secretary of the Court of Sards 23 March
1880, No 362, to make the necessary
arrangements and to improve the
condition of the ryots.

That in conclusion your Excellency's
memorialists most humbly crave your
excellency to appoint a Committee ~~between~~ to
enquire into the differences between the
ryots & the Zamindars, or to refer the
matter to the Collector for the same, either
to revert to the old rates prevailing
at the time of permanent settlement
or to fix a fair rate considering
the rates prevailing in the neighbouring
Government villages.

For this act of Charity your
Excellency's memorialists
shall ever pray.
