Official Memorandum to the Accountant General, dated 9th October 1890.—

With reference to G. O. No. 495 Political, dated 20th July 1888, and previous orders on the subject of a pension numbered in the last quinquennial list, 20 among the Guntur stipends (with which it has no connection), the Accountant General is requested to be so good as to report whether there is any reason against the removal of the payment to the budget head 2 Compensations and allowances. The hereditary character of the compensation has, it appears, been recognized, and that being so, its retention in the list connected with payments from grant 2 appears to be no longer necessary.—

And letter from the Accountant General, dated 20th November 1890, No. $\frac{\text{S. A. D.}}{415}$.—

With reference to your Memorandum dated the 9th of October 1890, I have the honor to state that on reference to G. O. No. 435, dated 20th February 1869, Revenue, I find that a pension

was granted to Ananthacharí, Govindacharí, Vasudevacharí and Rágunadacharí, all belonging to the family of the late Padmanabhacharí, Dewan of the old Palenda Zemindari, in consideration of lands resumed by Government. The pension should, therefore, be debited to "2 Assignments and compensations" as suggested by Government.—

Order—19th December 1890, No. 616.

The stipend will be removed from the list of political pensions and charges on its account taken to grant to "2 Assignments and Compensations". Any questions relating to it will in future be considered in the Revenue Department.—
