MR. H. W. BLISS.

Read—the following letter from W. DUMERGUE, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 5th September 1890, No. 3387-P:—

The Deputy Superintendent, No. III Party, Madras Survey, informs me that he is prepared to take in hand the demarcation of the boundary between the British and French territory at Mahé and requests that arrangements may be made for representatives of both Governments being present to decide upon the exact line to be demarcated and surveyed by the Revenue Survey Department. I have the honor, therefore, to request that Government may be moved to address the French Government at Pondicherry to depute an officer for the purpose.

2. The Sub-Collector, for the time being, may be authorised to act on behalf of this Government.

3. The boundary is well defined and is no likely to be questioned. In the event, however, of any difference of opinion between the accredited agents in the interpretation of the documents or plans bearing on the subject, they should be required to report the matter for the decision of the two Governments.

4. The Survey Department has already been furnished with the plans and other papers connected with the boundary.

Resolution—dated 13th September 1890, No. 596, Mis.

Submitted for the orders of Government.

2. The Sub-Collector might be accredited to the British representative.
