Sir I am in reply to your postcard No. 119 dated
16th ultimo, I have the honor to state that out
of 25 packets of 100 powders of 5 grains each,
kept for sale at Marnigudy & of 22 packets
kept at Audaler, only 50 powders have
been sold at the former place & 3 packets
& 19 powders at the latter, leaving an unsold
balance of $24\frac{1}{2}$ packets & 10 packets 81 powders
respectively in the above places.

2 Full publicity was given to the fact that
these powders are available to the public
at low rates & every opportunity was taken
to induce natives to make purchases.
