ENCLOSURES

From

O. Wolfe-Murray Esquire
Ag Collector of Cuddapah.

To

THE Government Botanist and
Director of Cinnamon Plantations
Cotacamund.

SIR,

In reply to your letter No. 117 dated 16th May 1891, I have the honor to state that there was on hand 7 1/2 packets of Louisine before the receipt in this office of 22 packets advised in your letter No. 751/131290. These were indiscriminately distributed to the Taluqs for sale. It is therefore difficult to say whether the old or the new supply was sold, as the new and old packets were mixed up.

From the accompanying statement, it will be observed that there has been a good sale. The Tahasildars report that a large

125/100 21

Large quantity of quinine has been sent to
Revenue Inspectors and Village officers
for sale.
