Proceedings of the Board of Revenue

(Land Revenue),

Dated 27th July 1891,

No. 5260 M.S.

The Hon. Mr. H. W. Bliss.

READ the following letter from Charles Kough
Esquire, Collector of Kurnool dated 13th July
1891, No. 3196:—

With reference to Board's Proceedings
No. 6462 M.S. dated 10th October 1890 and
para 2 of Board's Proceedings No. 339 dated
3rd June 1891 I have the honor to state that
25 packets of Sulphate of quinine supplied
as per para 2 of G. O. Revenue No. 733
dated 15th September 1890 and 22 packets
received with Mr. Lawson's Letter No. 633
dated 20th October 1890 have been partly
distributed to Tahsildars and District Forest
Officers as per enclosed statement.

2. From the above statement it will be
seen that 22 packets and 58 powders have
been sold.

sold both in the Taluks and in the Muzer
leaving a balance of 24 packets and 42
powders.

3. The medicine has been sold for the
most part in powders.

4. The above statement testifies to the
fact that the sale has found a ready market
in most of the Taluks and I am in hopes
that it will become popular in the
remaining Taluks in the course of time pro-
-vided the experiment is continued.

Resolution

Submitted to Government in conti-
-nuation of the resol. of the Board's Pro-
-ceedings quoted in para 1 of the Collector's
letter.

2. The report is hopeful and, in
such a district as Kurnool, the experiment
should be continued.

Submitting to Govt.
with remarks letter from
the Colbr of Karnool
reporting on the sale of
guanine in the Dt.

Not this is certainly
more hopeful - The Guanine
seems to have found a
ready market in Karnool.
