Proceedings of the Board of Revenue

(Land Revenue),

Dated 15th September 1891,

No. 6645 Mis:

The Honble Mr: J. Gross.

Read the following letter from E. C. Johnson Esquire, Collector of Guntur, dated 28th August 1891, Disposal No. 1003 Acc.

No. 3673 22-6-91

With reference to the Board's Proceedings dated 3rd June 1891, No. 339, I have the honor to report that a notice was published in the District Gazette requiring the Taluk Officers to distribute the quinine in small quantities for retail Sale in villages in malarious Situations, and prohibiting vendors from demanding higher prices than those fixed for each packet and each paper of 5 grains in G. O. Revenue, dated 15th September 1890, No. 733. Of the 15 packets already reported to have been sold up to the end of the last April, only 2 were disposed of in Single 5 grain doses. Out of the balance 4 more packets were Similarly disposed of Subsequently and 2 by wholesale. It will thus be seen that the Sale of quinine in this district is steadily progressing. Indents for further Supplies have been received from Some Taluks and I have indented upon the Government

Botanist

for a further Supply of 50 packets.

Reschution.

Submitted to Government in continuation of the Board's Proceedings quoted.
