GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 17th April 1891, Forest No. 165 :—

THE HON. MR. H. W. BLISS.

Read—again the following Proceedings of the Board of Revenue (Land Revenue), dated 14th February 1891, Forest No. 125, Mis. :—

MR. G. McWATERS.

Read—the following letter from W. A. WILLOCK, Esq., Collector and Agent to the Governor, Vizagapatam District, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Vizagapatam, 31st October 1890, No. 3501 :—

With reference to Forest No. 631, dated 14th October 1890, regarding the introduction of the Forest Act into the Agency, I have the honour to point out that I cannot make an application under section 32 until I have selected the forest reserves which I wish to conserve. I conclude that I may assume that the Forest Act will be introduced in due course, and shall arrange with Mr. Taylor, on his return, for the selection of some reserves and for the entertainment of a Forest establishment.

2. Meanwhile, I trust that the Act will be brought into force without delay, as I have notifications for a very large area in the Gudum Hills ready for submission as soon as I have personally inspected a few portions regarding the inclusion of which I have some doubts connected with the general tranquillity of the hills.

Endorsement by A. W. PEET, Esq., Acting Conservator of Forests, Northern Circle, dated Mudumalai, 12th November 1890, No. 2086.

Forwarded.

Resolution—dated 14th February 1891, Forest No. 125, Mis.

The Collector is mistaken in supposing that it is necessary to select specific reserves before applying the Act to an estate; the Act is simply made applicable to the whole estate, and the rules and reservations made under it follow.

2. As regards his request that the Act should be made applicable to the Agency tracts generally, the Board asked Government that the necessary reference to the Government of India might be made in its Board's Proceedings, dated 20th June 1890, Forest No. 662, but is not aware if any such reference has been made.

3. The application of the Act to the Palkonda Agency was notified in G.O., dated 14th January 1890, No. 34, Revenue.
