but prefers the site originally selec

in the Estate boat canal. I am
accordingly to return the plan which
accompanied your letter above referred
to and to ask you to transmit it
as soon as possible after receiving
from the under signed a
the Designs you propose to select
and the Names in which the Estate
boat canal (when a Loan is
from parties has been placed) is
to be settled.

The plan will then be sent to the
Consulting Architect with instructions
to submit a revised plan in accor-

dance with the decision arrived at
as to the Estate in the Designs for
the proposed approval & Government.
I am to add that the Boundary line
as shown in the plan is approved.

SECRETARIAT DEPARTMENT

Dear Sir,

With reference to your favor of the 27th October desiring me to alter the position of the intended godowns & to put them in the original light at the North-west corner of the compound I have accordingly altered the position in the plan & herewith in haste send it to you in time for this day's Council so that orders may be passed to enable me to save the materials from being damaged by exposure to present weather and to complete the works early. As it will be some days before I can get the new plan from the Government

Architect

Architect I beg you will be good enough to accord me sanction to proceed with the works according to the plans now submitted by me. I shall guarantee the Government to strictly keep to the revised plans this day submitted by me to them.

I offer my thanks for the approval & sanction granted by Government regarding the plans of the Compound wall.

Yours faithfully
