With reference to my letter No 38 of the 19th April 1890 relative to the supply of Quinine from the Government Factory at Nadiwatam for the use of the Ceylon Medical Department, I am directed to acquaint you that it has been found more convenient to have the Quinine for the use of this Government from England and I am to request you to be good enough to cause the discontinuance of any further supplies. The last supply received was for the 1st Quarter of the current year.
