genuineness of the will and validating of the adoption may be considered subsequently when the adoption takes place. The counter-petitioner has requested an extension of time to enable him to produce certain documents to disprove the genuineness of the will. I consider further delay unnecessary. The Sub-Collector will be requested to make further enquiry regarding the will which I understand has now been registered after enquiry by the Sub-Registrar, but until the adoption takes place there can be no objection to continuing the allowance to the widow as heir to the deceased.

NOTE FOR THE SECRETARY *Lth*

Refer to his note stitched herewith.

The petitions (C.No. 8305 & 8389) have been carefully read through but no reason can be seen for deferring orders until the promised petition is received. The petitioner's contention is that the will left by the deceased is not genuine but as observed by the collector in para 8 of his letter in C.No 8049 of 1892, the question as to the genuineness of the will & the validity of the adoption which it authorizes have to be considered when it is proposed to transfer the allowance from the widow to the adopted son. The claim of the widow to succeed to the allowance of the deceased is unquestionable independently of the will. The petition is merely vexatious.

REVENUE DEPT.

Sir,

Re, Vasireddy Pension, Kistna District.

I submit that the last male holder of the above pension
having died recently, Rajah Vasireddy Dasaradhi Naidu
Bahadur zemindar Manne Sultan Garu claims it to him-
self and accordingly presented petitions to the Tahsildar of
Sattanapally, the Sub. Collector of Guntur, the Collector of
Kistna, and the Board of Revenue in the matter. The Board
informed the Rajah to address the Government on the subject,
by its proceedings No. 2178 of the 16th instant. The Rajah is
in the Kistna District at a great distance from the Board at
Madras and it will take a long time before he receives the
Board's directions through the official gradations and may
be too late to address the Government before it passes final
orders in the matter. The Rajah alleges no injury by the
several officials from the Tahsildar upwards into his
claims and therefore no justice done to him. I therefore re-
quest you to be pleased to defer the disposal of the matter
until the Rajah is able to address the Government on the
subject. I have telegraphed to him the Board's intimation
conveyed to me by its endorsement No. 2221 dated 21st in-
stant on my petition No. 2891 of 1892, with Vakalat, re-
ceived yesterday, that the Rajah should address the Go-
vernment on the subject.

Re Vasireddy Pension Kistna District

In continuation of my yesterday's letter to you I beg to forward to-day by book post copies of the two petitions presented to the Sub Collector in charge of the District dated both the 31st August last and of the petition to the Board dated the 5th September instant by the claimant Rajah Vasireddy Dasnadhya Naidu Bahadur zemindar Mame Sultan Garu with the Board's proceedings No. 221 dated the 1st instant and its two enclosures stitched together, for your perusal in the matter and request you to return them to me afterwards. I again request you to defer the disposal of the matter till the Rajah's petition reaches you from his place in the Kistna District on receipt of the Board's instructions.

The allowance is hereditary - vide the first
sentence of para 7 of letter to the Govt
of India of 16 January 1873 No 57 which
states that "the pension should be given
permanently & without deduction to him
according to Hindu law." The widow of
the deceased pensioner being his heir
