15TH MARCH 1892, No. 251, REVENUE.

GOVERNMENT OF MADRAS.  
REVENUE DEPARTMENT.

Read—again the following G.O., dated 15th Sept. 1891, Mis. No. 4933, Revenue:—  
Read—the following G.O., dated 17th August 1891, Mis. No. 1983 L., Local and Municipal:—

Read—the following letter from the President, District Board, Coimbatore, dated 24th July 1891, Ref. on No. 123-Govt.:—

With reference to G.O., dated 22nd June 1891, No. 1516 L., Mis., I have the honour to report that the matter of the management of ferries in this district was brought before the District Board at its meeting of the 13th current, and that the Board agrees to take over the ferries with the consent of Government—*vide* Resolution 3, copy enclosed.

2. It seems, however, to me somewhat doubtful if the ferries can be so taken over as neither Act I of 1870 nor Act II of 1891 was put in force in this district, and under section 11 of the latter only "public ferries" can be transferred to the management of local bodies. The ferries in this district seem according to the definition in the Act of "public ferries" not to fall within this category.

Order—dated 17th August 1891, Mis. No. 1983 L., Local and Municipal.  
The question of applying Act II of 1891 to the existing ferries in the district, and of transferring their management to the Local Board's will be considered in the Revenue Department.

In returning G.O., dated 15th September 1891, Mis. No. 4933, Revenue, forwarded with Board's Reference on Government Register No. 2471 of 25th idem, I have the honour to submit a list showing the places at which ferries have been established in the district, and to say that I see no objection to subject them to the provisions of the Canals and Public Ferries Act II of 1890 (Madras) under section 8 and to assign the management to the District Board under section 11 of the Act.

Reference on the above, dated 19th October 1891.

The Collector is requested to report by whom the ferries are at present managed and what rates of fees are levied from passengers, &c.

2. He is also requested to submit a draft notification under section 8 of Act II of 1890 showing the limits of each ferry, together with a schedule of rates of fees proposed to be levied under section 10 of the Act.

Letter from J. STURROCK, Esq., Collector of Coimbatore, to the Secretary to the Commissioners of Land Revenue, dated Coimbatore, 2nd February 1892, No. 141 :—

In reply to Board's Reference on its General Register No. 3466, dated 19th October last, I have the honour to report that the ferries (the proceeds from which are credited under Local Funds) are at present managed by the Revenue Department, being leased out annually by the Tahsildars or Deputy Tahsildars subject to confirmation by Divisional officers.

*Ferry Rules framed under Section 16 of Act II of 1890.*

1. The contractors or other persons placed in charge of the ferry must provide themselves with boats in good condition and must keep them in good repair. If Government boats are supplied, they must be returned in the same condition when the contract expires. The contractor or other person in charge should employ adequate crew at times of freshes, the minimum number of men to be employed being six.

2. The ferry rules and English and Vernacular tables of fees and tolls leviable from passengers, &c., shall be exhibited in conspicuous places on either side of the ferry at all times when it is being worked.

3. The boatmen shall have a sufficient number of boats in readiness at either side of the ferry, and shall take care that mails, travellers and passengers, animals, carriages, &c., are not unnecessarily delayed, whether by day or night, but are ferried over with expedition.

4. No fee or toll shall be demanded in the cases enumerated below:—

- Government mails, stores and remittances, and all persons, animals and vehicles employed in carrying the same.
- All Government officials (including troops) travelling on duty, and also in case of police officers, prisoners and property in their custody.
- All parties employed by Government servants to carry official reports, when so carrying such reports.
- Children under six years of age.

5. The Collector is, at any time, and for any length of time, at liberty to attach the ferry boats for the conveyance of troops, camp equipage and followers, and the contractors and their servants will be bound to give all reasonable assistance to ensure their speedy and safe carriage. A reasonable deduction will be made from the amount of the contract for every such occasion. The power of deciding what is a reasonable deduction is reserved to the Collector.

6. The Collector or any other officer deputed by him to superintend the working of the ferry shall determine the gross weight which each boat can safely carry and keep the ferry contractors duly informed of the same.

7. Any contractor or other person in charge of a ferry, guilty of any breach or evasion of the above rules, shall be liable to a fine not exceeding Rs. 50 and shall further be liable to a penalty not exceeding Rs. 10 for each day during which he continues to act in breach or evasion of the rule after warning.

8. Any contractor punished under condition No. 7 will be liable to forfeiture of his contract at the discretion of the Collector, and may also be held liable to pay the balance of his ferry rent for the year in which the offence was committed.

9. The prosecutions for any infringement of the rules shall not be instituted in any criminal court except under the sanction of the Collector.
