Since writing his E.E.R. Brainsorungo Case (to be laid before a Medical Board) the Symptoms of his complaint, dyspepsia - have become distinctly worse. I consider it absolutely necessary that he should be granted Sick leave to Europe as early as possible, as I think he is at present quite unfit for any district work and unable to bear exposure. He should leave this by next Steamer for Madras, to appear before a Medical Board.

Proceedings of the Board of Revenue

(Separate Revenue).

Dated 14th May 1892.

No. 1808. Mis.

C. S. Crole Esq. C.V.

Read the following letter from E. R. R. Mainwaring Esq. Assistant Commissioner of Salt and Abkari Revenue, to the Secretary, Board of Revenue, Separate Revenue, dated 12th May 1892:—

I have the honor to forward herewith the Proceedings of the Medical Board permitting me to proceed in anticipation of leave already applied for. I regret it was not forwarded before but I was under the impression that the Medical Board would send a copy for your information direct. I am leaving today by the Clan Macarthur and request that all letters may be sent to Henry S. King – 45 Pall Mall, London.

Resolution

The application of Mr E. R. R. Mainwaring

warning Assistant Commissioner Masulipatam Sub-Division for one year's leave on medical certificate, with the Proceedings of the Medical Board dated 7th May 1892 received with the letter read above, will be submitted to Government through the Accountant-General, Madras, with the recommendation that the leave applied for may be sanctioned.

2. Mr. Mainwaring, with the permission of the Board, gave over charge of his Sub-Division to Mr. Poole, his senior Inspector on the forenoon of the 24th April in order to come down to Madras for examination by a Medical Board. His absence from duty, therefore, commences from this date.

3. In view of the certificate granted by the Medical Board, the Commissioner's wants in anticipation of the sanction of Government, have permitted Mr. Mainwaring to sail before his leave was sanctioned. But he embarked on the 12th instant without asking the Commissioner's permission on the strength of the medical certificate; though he had been warned (demi-officially) by the Secretary that he did so at his own risk. / Issue Copy and Extract /

REVENUE DEPARTMENT.

Current No. 4607.

From the Board of Revenue (Separate Revenue.)

Dated 14th May 1892.

FOR ORDERS.

While recommending that the leave for one year on medical Certificate applied for by Mr. Mainwaring, may be granted, the Board states that "in view of the certificate "granted by the Medical Board, "the Commissioner would in "anticipation of the sanction "of Government, have permitted "Mr. Mainwaring to sail before "his leave was sanctioned. But "he embarked on the 12th instant "without asking the Commissioner's "permission on the strength "of the medical certificate, "though he had been warned "(demi-officially) by the Secretary "that he did so at his own "risk" — para. 3 of the covenant.

2/ The recommendation in the medical

Mr. Mainwaring will be called on for explanation. I think he should be informed that he has rendered himself liable to forfeiture of his leave. Whether he will be held to have forfeited it practically depends upon whether he had any reasonable ground for believing that his leave would be granted.

H.L.S. 4/6/92

I do not know that this can be assumed - anyhow Mr. Mainwaring never gave the Commr. the opportunity of granting or withholding his leave, and should be called on to explain. Meanwhile his leave should be sanctioned -

H.L.S. 13 June W. 15 June

medical certificate is that Dr. Mainwaring be permitted to embark in anticipation of leave.

3/ It does not appear that the Medical Board itself can grant this permission, but Dr. Mainwaring appears to have understood this portion of the certificate as giving him permission to embark in anticipation of leave — vide his letter to the Secretary to the Board of Revenue read in the Current.

4/ The Demi-official letter referred to in para 3 of the B.P. (quoted in para 1 supra) was presumably despatched on receipt of the above letter from Dr. Mainwaring.

Considering that Dr. Mainwaring had mis-understood the medical Certificate, that he was also under the impression that the medical certificate would be forwarded by the Medical Board itself (vide his letter quoted above) and that he had arranged to embark on the very day on which he wrote to the Board, the Secretary might have obtained for him the permission of the Commissioner. Such a course was perhaps not possible.

5/ It is not stated when and where Dr. Mainwaring got the D.O. vide warning him of the risk he would run if he went away without permission.

6/ Submitted that the leave may be granted and Dr. Mainwaring be asked to state what explanation he has to offer for having embarked not merely without the permission of the Board but in spite of the warning refused by

by the Board.

Re. Mr Mainwaring's application for leave.

The Hon. Mr J.H. Garstin C.S.I.

H.E. The Governor

I. I do not find any precedent on the subject is traceable.

R.W. 16. Mr Mainwaring has had an opportunity of explaining why he embarked without the permission of the Commissioner & when he received the letter requiring explanation did so.

It may be stated that Mr Mainwaring came to see me on 15th & on that he could not see why the Board should have taken any passage for him by steamer by the Canal & Railway; that owing to delay in granting his leave he had already had to forfeit his passage to Europe & that he would probably lose the whole passage money, which he could ill afford. That his whole future depended on getting to Europe by the 20th inst. I told him I could do nothing, that he must go to the Board's office and that during his leave application I could not see him. He then stated that between the Commissioner (his Chief) who did not intend to pay him a visit as he had promised & Mr Clarke Superintendent (his Chief) who was determined to disgrace him. He said that some Port of the Board owing him for expenses in this connection & some matters which he had undertaken privately for him, & generally considering Mr Clarke's treatment of him, he was justified in breaking his agreement with the Commissioner.
