I don't see any reason for granting R. Gilmore's request. Would think that it is possible under Rules for an officer to take private employment during the time of his leave if he is likely to be in Perth at the time of his return. Should like to see Mr. Gilmore about it.

If he is acquitted he will get back pay.

Chief Clerk to report

NOTE FOR THE SECRETARY.

With reference to the Secy's Memo below the order, it is submitted that there is no objection to an officer's retiring in continuation of leave on private affairs. It is only in the case of ~~furlough~~ privilege leave that an officer has to record a declaration that he has no intention of retiring etc for 3 months after his return to duty - vide Art. 891 of C.S.R. In the case of officers over 55 years however, there is some restriction as regards the grant of private affairs leave & that is with reference to the length of the leave. Vide Art. 377.

K. Subbarayudu is not yet 55 years old.

Rec'd 5/7/92
Forwarded with request that

may be granted
for orders. Chief Secy

I. The Collector of Godavari reports that Dr. R. Subbarayudu Garu, Surgeon Grade, Cocanada, has applied for leave on private affairs for 6 months and that a charge has been taken over on behalf of the Treasury to the 22 Aug. The Doctor's wife is in the Nilgiris and it is necessary that he should go there to see her. He is in debt to the extent of Rs 1,000 and his creditors are pressing him for payment. He has been under suspension since 5th March last. Dr. Subbarayudu's case was brought to the notice of Government on the part of the Deputy Director of Medical Services, but he did not receive leave of absence pending the investigation of the charges against him. He has been under the impression that he was entitled to take a leave when he liked. The Collector forwards the application for 6 months' leave on private affairs stating that he is unable to grant leave as Dr. Subbarayudu is under suspension
