Note

Note.

For the royalty proposed to be charged in the case of the Bhadrachalam lease please see para. 1 of G.O. of 2.9.91 No. 823 and page 2 of the draft lease vide G.O. of 29.6.92 No. 2033.

In the Chella case the royalty proposed by the Govt. of India was 4 annas per ton on coal of all sizes with the exception of dust for which the rate was to be one anna. vide para. 4 of the Central Provs. Govt. letter to Messrs Binny & Co. printed at page 5 of G.O. of 13.9.90 No. 731 "Dust" is not defined in that letter; but it must be defined in the terms of indenture accompanying Indian letter, read in G.O. of 9.3.92 No. 1324 That indenture has been forwarded by the Govt. to Messrs. Binny & Co. — vide G.O. of 29.6.92 No. 2033.

but it does not appear necessary to that indenture should be looked into before reply is sent to the present communication from the Govt. of India.

P.T.S.

By the draft lease prepared by the Govt. of India does not contain any express exception from royalty in respect of 'dust'. This left out in fund from the lease. From the lease must be read as depriving in this respect express is granted.
