Sir,

Through The Accountant General
Fort St. George.

With reference to the Accountant General's endorsement, no 1935 dated the 24 June 1892, on this office letter no 34 of 16 June 1892, referred to me for remarks under G.O. no 3057 of 30 June 1892. Revenue. I have the honor to point out that Messrs Barham & Co in the latter part of their letter clearly show that they do not make a demand for the extra Rs 100, an account of the still, but only ask that, under the circumstances, which they detail, the matter may be favourably considered.

2. I think myself that there can be no doubt but that the sum of Rs 160. as given by Mr Barham in his letter, which I enclose for your perusal, was really a mistake; and that therefore it would not be liberal to insist upon the agreement being carried out literally. The two stills purchased heretofore by this

this Department cost each of them Rs 350.
I have the honor to be
