REVENUE BOARD OFFICE, MADRAS.

Proceedings of the Board of Revenue

(Land Revenue),

Dated 15th August 1892.

Forest No. 812 Miscellaneous

The Honorable Mr H. W. Bliss

READ ..... the following letter from the Conservator of Forests, Northern circle, dated 23rd July 1892 No 863.

In reply to Board's Resolution Forest No 627 Miscellaneous dated the 22nd June 1892. I have the honor to report that the Forest officers appointed by the Secretary of State and posted by the Madras Government to the Northern circle since 1887-88 are

1. Mr C. D. Mc Arthy - December 29, 1888
2. " A. B. Jackson " 28, 1889
3. " Mac. C O'Leary " 26, 1891

2. Both Messrs Mc Arthy and Jackson have suffered from Malarial fever due to exposure but have shown themselves markedly able to Cont[d] against unfavourable climatic conditions Mr O'Leary has not yet been called upon to live in the forest but he seems to be very robust

Read - also the following letter from the Conservator of Forests.

Reference Board's Proceedings, Forest No 627 miscellaneous dated 22nd June 1892.

In reply to the above, I have the honor to state there are only 2 officers in this circle.

Mr Mc Intosh who arrived in January and Mr Cowley Brown who arrived in December 1891 have joined since 1887-88. The former, when he arrived undoubtedly possessed an excellent constitution, was physically strong and in good health. Mr Cowley Brown has only been six months out here, and has had no regular jungle work, but from personal ~~appear~~ ance I should say he possesses a sound physique and should make an useful Forest officer

Read also letter from the Conservator of Forests, Southern Circle dated 2nd July 1892 No 1592 of 1892.

I have the honour to report that the period referred to, Covers the following fresh arrivals.

Mr C. du Pré Thornton – 1889
Mr F. Foulkes – 1890
Mr Horace B. Bryant – 1890

and I consider the physique, general health and constetution of all these officers good and suitable for Forest duties.

Resolution.

The Conservators' reports will be Submitted to Government, with reference to Government order, dated June 15, 1892 miscellaneous No 2847.

2. Mr Popert should have reported the state of Mr Mc Intosh's physique now – not what it was when he arrived.

3. The attention of the Conservators is drawn to the concluding sentence of para 1 of the Government of India letter Communicated with Board's Proceedings dated 22nd June 1892 No 627 Forest, with reference to which a further report should be submitted at the end of the current calender year regarding Messrs O'Leary and Cowley Brown and similarly for future recruits
