Resolution -

With the letter read above, the
Collector of Malabar forwarded, for approval,
Copy of his letter addressed to the Resident
of Travancore on the subject of the
Survey of the Boundary between
Cochin & Hollengode which formed
the subject of Govt's 2nd November 91 No 1038
& 2nd February 1892 No 643.
2. The Collector points out that the
joint survey now proposed to be effected
will defeat the very object of the
Govt.

Government has in view, viz: the settlement
of the dispute, and urges the expediency
of undertaking an independent survey
of the disputed area by each of the
parties.

3. There is much force in what the
Collector represents, and his action in
the matter will be submitted for
the approval of Government.

President's Office
Travancore 16. June 1892.

The Governor of Cochin.

Sir,
With reference to your No. 1240 of
24th May 1892 and the enclosed copy
of a letter from the Collector of
Malabar (No. 1972 dated 9th Instant.)
you will perceive that the Collector is
opposed to a joint survey of the
boundaries as claimed by the Cochin
State and the Kollengode Namibidi
respectively.

2. Under the circumstances I
think that the proper course to be
pursued by you will be to direct
your Surveyors to clear, demarcate
and survey the line which you claim
as the boundary of Cochin. (The de-
-marcation to be of a temporary nature).

3. When the copy of the Survey
plan referred to by the Collector at
para 4 of his letter is communicated
to you, you can if you wish send a
Surveyor to examine the line and
re-survey it if you think necessary.
At the same time a copy of the
Survey plan of your line should be

furnished to the Collector of Malabar
or to his Surveyor and every facility
and necessary assistance given
to him should he wish to verify your
Surveyor's work.

4. If you agree with me, I
shall submit the proposal to the
Collector of Malabar. I request the
favour of an early reply.
