SIR,

I have just received information from Messrs Silverlock & Co. as to what the cost of envelopes for quinine powders would be - and the price is prohibitive. There are also other matters, which have recently come to my notice, which lead me to believe that it would not be well to dispense with the issuing of purgative powders; and I have therefore to request that you will allow me, if not too late, to cancel my letter of 21st October 1892, p. 66.

I have the honor to be

The Honorable Government
Patent Department
Washington

I have just received information
from the Commissioner of Patents to what
extent the law is being enforced
in the United States, in relation to
the various other matters, which have
been brought to my notice, which lead
me to believe that it would not be
advisable to the issuance of
patents, and I have therefore
advised that you will allow me
to be able to send my letter
to the Commissioner of Patents.

Yours to be
Sincerely,
John M. Howard Smith
