The Secretary to Government
Revenue Department
Fort St George
Sir,

In my letter to Government
No 65 of 15th January 1890, I asked that
Mr Hooper, the Government Quinologist,
should be allowed to establish his
chemical laboratory in his house, at
"Oakend;" (he being responsible for its
maintenance, and receiving as com-
pensation fifty rupees a month) and
this was sanctioned by Government
in G. O. No 585 of 27 January 1890. Revenue

2. "Oakend" has ^{now} been let to
another person, and Mr Hooper has
bought "Kalso Villa," where he intends
residing, and he proposes removing
his laboratory to that place.

I have had the premises inspected by the Sub. Divisional Officer of the Public Works Department, and he has reported that the rooms, which Mr. Hooper will devote to his laboratory, are equal in capacity to those so set apart at Oakend.

3. I have the honor, therefore, to request that the same terms may be conceded to Mr. Hooper, when he goes to Helso Villa, as have been granted to him while living at Oakend.

4. The charges connected with the removal of the laboratory will be defrayed by Mr. Hooper.

5. I enclose a copy of the Divisional officer's report.
