9TH AUGUST 1892, No. 825, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 22nd June 1892, Forest No. 333 :—

THE HON. MR. H. W. BLISS.

Read—the following letter from W. A. WILLOCK, Esq., Collector of Vizagapatam, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Vizagapatam, 25th April 1892, No. 1213 :—

I have the honour to ask that the rules under the Forest Act sanctioned in Government Order, No. 4740, Revenue, dated 1st August 1890, for the Pálkonda Agency may be extended to the Golgonda Agency. Proposals for the reservation of four blocks with a total area of about 150 square miles in this tract are now in the hands of the Conservator and this is as far as I think it would be expedient to go at present. As soon as the reservation of the blocks has been accomplished and we see how the Agency people behave under the new restraints imposed on them, I will propose further reservation. Meanwhile there are certain forests along the western boundary of the taluk which need some control to be exercised over them and the Pálkonda rules will furnish me with all the necessary power.

2. I have added an explanation to rule 4, as the word "hill village" is too limited in its strict meaning to be suited to the parts of the Golgonda Agency where the rules are most needed. There are villages there in the valley running into the low hills which separate this district from the ordinary tracts of the Godáviri, the inhabitants of which are entitled to all consideration shown to the dwellers in the upper gháts which cannot be strictly called hill villages. It is very necessary to deal carefully with these people as this tract is the usual starting point of our *fituri* troubles.

ENCLOSURE No. 1.—Forest sheet.

Endorsement by E. D. M. HOOPER, Esq., Acting Conservator of Forests, Northern Circle, dated Vizagapatam, 1st May 1892, No. 210.
