SIR,

With reference to para 1 of G. O. No 1003 dated the 11th March 1893. Revenue. forwarding for my remarks the letter from the Collector of South Canara No 535 dated the 9th February 1893, I have nothing to say but that I wrote on the 16th May 1891, & on the 27th May 1892, to all Collectors, asking them to be good enough to furnish me with a report showing what progress had been made in the matter of distributing quinine in paper packets, during the years ending 31. March 1891 & 1892. This I did, however, without having received instructions from Government to do so; and the Collector of South Canara may, therefore, have not thought himself bound to supply the information asked for; or, as there has been several changes made in the South Canara Collectorate during the past few years, my letter may have been mislaid, and so overlooked.

A form, such as was approved of
by Government in C. O. No 175
dated the 18 January 1893. Revenue.
was sent on the 23 February last
to all Collectors, requesting them
to fill up and return it, as
soon as they conveniently could after
the 31 March.

I have the honor to be
Sir

Your most obedient Servant
