G.O. NO. 249

Dated 21 - 3 - 1973

[Despatch Abstract.]

TODA PATTA LANDS

Agreeing with the Board in its opinion  
in the case of the "Argentine"  
Section of Chapter III of the Permit Act  
is more appropriate & judicious than  
publication in the Port St. George's Gazette.  
I am, Sir, very respectfully,  
for the management of the ship

21st MARCH 1893, No. 249, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 14th September 1892, Forest No. 488:—

Read—Proceedings of the Board of Revenue (Land Revenue), dated 10th February 1892, Forest No. 124, Mis.

ABSTRACT.—Requesting the Collector of Nilgiris to submit proposals, under clause (a) of section 33, for the management of the Toda patta lands.

Read—the following letter from J. D. REES, Esq., Collector of Nilgiris, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Southern Circle), dated Ootacamund, 15th April 1892, No. 108:—

With reference to Board's Proceedings, Forest No. 124, Mis., dated 10th February 1892, I have the honour to submit herewith, for approval and sanction, proposals under section 33 (a) of the Forest Act for the management of Toda patta lands on the Nilgiris.

2. As protection is our principal object, I think it may be considered sufficient to extend the provisions of chapter III to these lands, and accordingly beg to submit herewith a draft set of rules under section 26.

3. In rule 7, provision is made for the cultivation of Toda patta lands by Todas themselves. I have recently received a petition from a large number of Todas praying that they may be allowed to cultivate potatoes and vegetables. This is a new departure on the part of a purely pastoral tribe and should, I think, be encouraged. Such cultivation will be carefully watched and all care taken that under cover of this license, Toda patta lands are not, in fact, alienated to other more enterprising classes living in the larger villages of the plateau. I have made a separate reference on this point and venture consequently to include the provision in the draft.

Endorsement by J. W. CHERRY, Esq., Conservator of Forests, Southern Circle, dated Coimbatore, 26th April 1892, No. 1021.

Forwarded.

I have already expressed my views on this matter in the correspondence under No. 1021. I would now suggest for first consideration, that all these rules might well have been framed under section 21 of chapter II of the Act for "forests," and that under the recent rulings of the Government, it would be to so frame them.

dated 14th September 1892, Forest No. 488.

mitted to Government.

The Collector of the Nilgiris, in his letter read above, submits the revised proposal under section 33 (a) of the Forest Act called for in Board's Proceedings, dated 10th February 1892, Forest No. 124, Mis., for the management of Toda patta lands in the Nilgiris Hills and proposes to extend, under the section quoted, the provisions of the Act to these lands.

3. The Conservator, however, in his forwarding endorsement, considers that under the recent rulings of Government it would be advisable to frame the rules under Chapter II instead of under Chapter III.

4. By "recent rulings," the Conservator evidently means the new policy of Government as enunciated in Government Order, dated 29th October 1890, No. 844, Revenue Department, wherein it was ruled that all Government forests should eventually be formally settled and reserved under the Act. But this Government Order cannot, the Board thinks, apply to Toda patta lands, as they are not lands at the disposal of Government as defined in section 2 of the Forest Act (Government Order, dated 26th October 1891, No. 1008). Government and the Todas have a joint interest in these lands and the latter already possess certain rights. The Board, therefore, considers that the application of Chapter III of the Act, as suggested by the Collector, will be more appropriate and judicious. Besides, section 21, Chapter II of the Act, is not apparently intended to empower Government to make rules; on the other hand, the section itself provides penalties for trespass and acts of damage done in a reserved forest.

5. Under these circumstances, therefore, the Board requests that Government will be pleased to approve of the draft notification sent up by the Collector and order its publication with the following modifications:—

*Rule 3.*—After the words "shall be Rs. 30" add "except in the case of commissioned officers and soldiers of Majesty's forces in whose case it may be reduced to Rs. 5 by the Collector."

*Same rule.*—For "under the rules under section 21 (h)" substitute "under the rules for the regulation of shooting in reserved forests and reserved lands in the Nilgiri district."

*Rule 4.*—At the end of the rule add "after the publication of such notification, no person shall hunt or shoot within the limits of the said forest and lands except during such season."

*Rule 5.*—For rule 5 substitute "no person shall at any time set nets, traps or snares for game on such lands."

*Rule 7.*—After the words "free of charge" add "or otherwise as Government may from time to time direct."

READ—letter from the Collector of Nilgiris, dated 14th November 1892,

ABSTRACT.—Requesting to abstain from passing orders on Board's Proceedings No. 488, dated 14th September 1892, pending receipt of a revised schedule.

READ—the following Proceedings of the Board of Revenue (Land Revenue), November 1892, Forest No. 1285, Mis.:—

Read—the following letter from the Collector of Nilgiris, to the Secretaries of Land Revenue (through the Conservator of Forest Circle), dated 14th November 1892, No. 1432:—

With reference to Board's Proceedings, Forest No. 488, dated 14th 1892, I beg to say that it will, I think, be necessary to propose certain in the schedule attached to the draft notification owing to certain lands b.

Government at revenue sales or relinquished by the voluntary act of the Todas having been entered as Toda patta lands in the schedule. The annual settlement of fash 1301 (1891-92) may also perhaps entail the necessity for making some corrections.

2. I have ventured to ask Government directly to abstain from passing orders pending receipt of a revised schedule through the Board, lest the paper be disposed of and the trouble of a fresh reference occasioned to the Board and Government.

Endorsement of the Conservator of Forests, Southern Circle, dated 18th November 1892, No. 344.

Forwarded.

Resolution—dated 25th November 1892, Fores. No. 1285, Mis.

Recorded.

2. The revised schedule promised by the Collector is awaited.

## APPENDIX.

## TODA PATTA LANDS ON THE NILGIRIS.

Whereas under clause (c) of section 33 of Act V of 1882 (Madras Forest Act), the Government has undertaken the management of forest and waste lands specified in the schedule hereto annexed, known as the Toda patta lands, and situated in the Nilgiri district, it is hereby notified under the said section that the provisions of section 26, chapter III of the said Act, shall apply to the said forest and waste lands:

| District.   | N&d.       | Village.    | Name of Todamund and land. | Settle-ment number. | Area in acres. | Total area for the village. |
|-------------|------------|-------------|----------------------------|---------------------|----------------|-----------------------------|
| 1           | 2          | 3           | 4                          | 5                   | 6              | 7                           |

2. It is further notified that the Governor in Council has made the following rules under section 26 of the said Act and that these rules shall apply to all Todapatta lands in the Nilgiri District:—

*Rules.*

1. No person shall fell, girdle, mark, lop, uproot or burn or strip off the bark or leaves from or otherwise damage any tree growing on the said lands or remove the timber or collect the natural produce of such trees or lands or quarry or collect stone, lime, gravel, earth or manure upon such lands or break up such lands for cultivation or erect buildings of any description or cattle kraals, and no person or persons other than the Todas named in the patta concerned, shall graze cattle, sheep or goats upon such lands unless he is authorized so to do by the Collector or some person duly empowered in that behalf by the Collector.

2. The Collector may select any of the said land to be placed under special fire protection. After the limits of these areas have been clearly indicated and duly notified in the District Gazette, no person within such areas shall wilfully or negligently set fire to or instigate, aid or abet the setting fire to the trees, timber, grass, fern or any forest produce, or shall kindle or keep burning any fire except at such places and subject to such precautions as may be prescribed by the Collector by notification in the District Gazette.

3. No person shall hunt, beat for game or shoot on such lands without a license from the Collector of the Nilgiris. The payment to be made for such license shall be Rs. 30, except in the case of non-commissioned-officers and soldiers of Her Majesty's forces in whose case it may be reduced to Rs. 5 by the Collector, but all holders of licenses from the Collector under the rules for the regulation of shooting in reserved forests and reserved lands in the Nilgiri district shall be exempt from any further payment under this rule. The license shall be non-transferable and shall be available only for the currency of the fasli year, i.e., from the 1st July to the 30th June to which it relates, whether it be taken out at the commencement of or during the currency of the year.

4. The Collector of the Nilgiris may, by a notification in the District Gazette, from time to time, declare during what season such license will entitle the holder to hunt or shoot within the limits of the said forest and lands; after the publication of such notification, no person shall hunt or shoot within the limits of the said forest and lands except during such season.

5. No person shall at any time set nets, traps or snares for game on such lands.

6. All Todas in the Nilgiri district shall, in respect of their own patta lands, be exempt from the operation of the above rules and shall be at liberty to graze their own buffaloes, to remove fuel and grass for their domestic requirements and to collect any honey or wax upon such lands. They shall likewise be entitled to, and shall receive free permits for, the removal of all timber, bamboos, rattans, fibre and thatching grass that they may require for building or repairing their mounds and temples.

7. The Collector shall have power to issue annual permits for the cultivation of grass land only in Toda pattas by Todas themselves free of charge, or otherwise as Government may from time to time direct, but no Toda shall be at liberty to permit any other person except a Toda to cultivate or assist in the cultivation of such lands.

8. Any breach or infringement of rules 1, 2, 3, 4 and 5 will render the offender liable, on conviction by a Magistrate, to imprisonment of either description as defined in the Indian Penal Code for a term which may extend to one month, or fine which may extend to Rs. 200 or both.

MARCH.

Toda Patta Lands.

Agreeing with the Board in its opinion that, in the case of — on the Nilgiris, the application of chapter III of the Forest Act will be more appropriate and judicious, and ordering the publication in the Fort St. George and the Nilgiri District Gazettes of a notification under section 33 (a) of the Act for the management of the said lands.

PROCEEDINGS OF THE BOARD OF REVENUE.  
(LAND REVENUE).

MR. A. T. ARUNDEL.

READ—Proceedings of the Board of Revenue (Land Revenue), dated 10th February 1892, Forest No. 124, Mis.

\* ABSTRACT.—Requesting the Collector of Nilgiris to submit proposals, under clause (a) of section 33, for the management of the Toda patta lands.

READ—the following letter from J. D. REES, Esq., Collector of Nilgiris, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Southern Circle), dated Ootacamund, 15th April 1892, No. 108:—

With reference to Board's Proceedings, Forest No. 124, Mis., dated 10th February 1892, I have the honour to submit herewith, for approval and sanction, proposals under section 33 (a) of the Forest Act for the management of Toda patta lands on the Nilgiris.

2. As protection is our principal object, I think it may be considered sufficient to extend the provisions of chapter III to these lands, and accordingly beg to submit herewith a draft set of rules under section 26.

3. In rule 7, provision is made for the cultivation of Toda patta lands by Todas themselves. I have recently received a petition from a large number of Todas praying that they may be allowed to cultivate potatoes and vegetables. This is a new departure on the part of a purely pastoral tribe and should, I think, be encouraged. Such cultivation will be carefully watched and all care taken that under cover of this license, Toda patta lands are not, in fact, alienated to other more enterprising classes living in the larger villages of the plateau. I have made a separate reference on this subject and venture consequently to include the provision in the draft.

## ENCLOSURE No. 1.

## TODA PATTI LANDS ON THE NILGIRIS.

Whereas under clause (a) of section 33 of Act V of 1882 (Madras Forest Act), the Government has undertaken the management of the forest and waste lands specified in the schedule hereto annexed, known as the Toda patti lands, and situated in the Nilgiri district, it is hereby notified under the said section that the provisions of section 26, chapter III of the said Act, shall apply to the said forest and waste lands :-

| District. | Nad.    | Village.    | Name of Toda land and land. | Settle-<br>ment<br>number. | Area in<br>acres. | Total area<br>for the<br>village. |

2. It is further notified that the Governor in Council has made the following rules under section 26 of the said Act and that these rules shall apply to all Todapatta lands in the Nilgiri District:—

## Rules.

1. No person shall fell, girdle, mark, lop, uproot or burn or strip off the bark or leaves from or otherwise damage any tree growing on the said lands or remove the timber or collect the natural produce of such trees or lands or quarry or collect stone, lime, gravel, earth or manure upon such lands or break up such lands for cultivation or erect buildings of any description or cattle kraals, and no person or persons other than the Todas named in the patta concerned, shall graze cattle, sheep or goats upon such lands unless he is authorized so to do by the Collector or some person duly empowered in that behalf by the Collector.

2. The Collector may select any of the said lands to be placed under special fire protection. After the limits of these areas have been clearly indicated and duly notified in the District Gazette, no person within such areas shall wilfully or negligently set fire to or instigate, aid or abet the setting fire to the trees, timber, grass, fern or any forest produce, or shall kindle or keep burning any fire except at such places and subject to such precautions as may be prescribed by the Collector by notification in the District Gazette.

3. No person shall hunt, beat for game or shoot in such lands without a license from the Collector of the Nilgiris. The payment to be made for such license shall be Rs. 30, but all holders of licenses from the Collector under the rules under section 21 (4) shall be exempt from any further payment under this rule. The license shall be non-transferable and shall be available only for the currency of the fasli year, i.e., from the 1st July to the 30th June to which it relates, whether it be taken out at the commencement of or during the currency of the year.

4. The Collector of the Nilgiris may, by a notification in the District Gazette, from time to time, declare during what season such license will entitle the holder to hunt or shoot within the limits of the said forest and lands.

5. The setting of nets, traps or snares for game on such lands is absolutely forbidden.

6. All Todas in the Nilgiri district shall, in respect of their own patta lands, be exempt from the operation of the above rules and shall be at liberty to graze their own buffaloes, to remove fuel and grass for their domestic requirements and to collect any honey or wax upon such lands. They shall likewise be entitled to, and shall receive free permits for, the removal of all timber, bamboos, rattans, fibre and thatching grass that they may require for building or repairing their mounds and temples.

7. The Collector shall have power to issue annual permits for the cultivation of grass land only in Toda patta lands by Todas themselves free of charge, but no Toda shall be at liberty to permit any other person except a Toda to cultivate or assist in the cultivation of such lands.

8. Any breach or infringement of rules 1, 2, 3, 4 and 5 will render the offender liable, on conviction by a Magistrate, to imprisonment of either description as defined in the Indian Penal Code for a term which may extend to one month, or fine which may extend to Rs. 200 or both.

Endorsement by J. W. CHERRY, Esq., Conservator of Forests, Southern Circle, dated Coimbatore, 26th April 1892, No. 1021.

Forwarded.

2. I have already expressed my views on this matter in the correspondence under reference. I would now suggest for first consideration, that all these rules might equally well have been framed under section 21 of chapter II of the Act for "reserved forests," and that under the recent rulings of the Government, it would be advisable to so frame them.

RESOLUTION—dated 14th September 1892, Forest No. 488.

Submitted to Government.

2. The Collector of the Nilgiris, in his letter read above, submits the revised proposals under section 33 (a) of the Forest Act called for in Board's Proceedings, dated 10th February 1892, Forest No. 124, Mis., for the management of Toda patta lands on the Nilgiri Hills and proposes to extend, under the section quoted, the provisions of Chapter III to these lands.

3. The Conservator, however, in his forwarding endorsement, considers that under the recent rulings of Government it would be advisable to frame the rules under Chapter II instead of under Chapter III.

4. By "recent rulings," the Conservator evidently means the new policy of Government as enunciated in Government Order, dated 29th October 1890, No. 844, Revenue Department, wherein it was ruled that all Government forests should eventually be formally settled and reserved under the Act. But this Government Order cannot, the Board thinks, apply to Toda patta lands, as they are not lands at the disposal of Government as defined in section 2 of the Forest Act (Government Order, dated 26th October 1891, No. 1008). Government and the Todas have a joint interest in these lands and the latter already possess certain rights. The Board, therefore, considers that the application of Chapter III of the Act, as suggested by the Collector, will be more appropriate and judicious. Besides, section 21, Chapter II of the Act, is not apparently intended to empower Government to make rules; on the other hand, the section itself provides penalties for trespass and acts of damage done in a reserved forest.

5. Under these circumstances, therefore, the Board requests that Government will be pleased to approve of the draft notification sent up by the Collector and order its publication with the following modifications:—

Rule 3.—After the words "shall be Rs. 30" add "except in the case of non-commissioned officers and soldiers of Her Majesty's forces in whose case it may be reduced to Rs. 5 by the Collector."

Same rule.—For "under the rules under section 21 (h)" substitute "under the rules for the regulation of shooting in reserved forests and reserved lands in the Nilgiri district."

Rule 4.—At the end of the rule add "after the publication of such notification, no person shall hunt or shoot within the limits of the said forest and lands except during such season."

Rule 5.—For rule 5 substitute "no person shall at any time set nets, traps or snares for game on such lands."

Rule 7.—After the words "free of charge" add "or otherwise as Government may from time to time direct."

Government Order, dated 28th April 1892, No. 421.

Rhodanjan  
for Ag Collector

R

# Proceedings of the Board of Revenue

(Land Revenue.)

Dated 25<sup>th</sup> November 1892

Forest No. 1285. Miscellaneous.

READ the following letter from the collector of Nilgiris,  
dated 14<sup>th</sup> November 1892, No. 1432.

With reference to Board Proceedings, No. 488, dated 14<sup>th</sup> September 1892, I beg to say, that it will, I think, be necessary to propose certain alterations in the schedule attached to the draft notification owing to certain lands bought in by Government at revenue sales or relinquished by the voluntary act of the Eodas, having been entered as Eoda putta lands in the schedule. The annual Settlement of Pachi 1301 may also perhaps entail the necessity for making some correction.

2. I have ventured to ask Government directly to abstain from passing orders pending receipt of a revised schedule, through the Board, lest the papers be disposed of and the trouble

A fresh reference was made to the Board  
of Government.

Endorsement of the Conservator of Forests,  
Southern circle, dated 18<sup>th</sup> November 1892,  
No 3044.

Forwarded.

Resolution

Recorded.

1. The revised schedule promised by the  
collector is annexed.

(True copy and extracts)

(sd) W. S. Meyer.

Sg. Secretary.

2. The Conservator of Forests, S. O.

The collector of the Bilgiris.

(True copy)

Thos.  
Sg. Secretary.

Proceedings of the Board of Revenue  
(Land Revenue.)

Dated 11<sup>th</sup> March 1893.

Forest No. 246. Miscellaneous.

Read the following letter from the collector of Bilgiris, dated  
24 February 1893, No 2218.

In continuation of my letter No 1432, dated  
14 November 1892 and with reference to Board's  
Proceedings, Forest No 1285 mis and 74 mis, dated  
25 November 1892 and 3<sup>rd</sup> February 1893 respec-  
tively, I have the honor to submit herewith a  
revised schedule of B. & S. patta lands to be  
submitted for the use printed in Board's Pro-  
ceedings, Forest No 1488, dated 14<sup>th</sup> September 1892.

Resolution

Submitted to Government with reference  
to G. O., dated 26 January 1893, No 208, R. S.,  
(True copy and extracts)

The Secretary to Govt. R. S.,  
with copy of No 1285 mis 74
