No. 383.

Read the following papers:—

MINUTE BY THE HONORABLE THE PRESIDENT.

1. A proposition was made by Mr. Rohde, I think, to give the charge of the Prisoners at Neddiwattum to Mr. Dawson, and I have since heard from Mr. McIvor that he is disposed to place Mr. Dawson in charge of the Plantation at Neddiwattum, as Captain Nicholls is not qualified to have charge.

2. This would remove the difficulty about the charge of the convicts, as Mr. Dawson might have powers given to him similar to those now conferred on Mr. McIvor as regards the Dodabet convicts. Mr. Dawson might have 50 Rupees extra per month as Superintendent of the Jail or whatever his designation would be. This arrangement would, I think, suit all parties, the Government would get its Jails emptied, and its Chinchona plantations cultivated at small cost by labor upon which dependence could be placed.

3. Mr. McIvor would get his labor cheap, and would only have to pay 50 Rupees per month instead of 500 for superintendence. It would be as well to press the matter forward, as the season is advancing and the trees are to be barked next month.

(Signed) W. T. DENISON.

No. 384.

MINUTE BY THE HONORABLE T. PYCROFT.

We must get Mr. Rohde's reply to the reference made to him, not only regarding Mr. Dawson but on the other points connected with the proposed employment of convicts at Neddiwattum.

(Signed) T. PYCROFT.

No. 385.

MINUTE BY THE HONORABLE H. D. PHILLIPS.

I would wait for Mr. Rohde's reply to the several points arising out of the proposed transfer to Neddiwattum. The cost of the Police guard will be rather a large item in the monthly bill.

(Signed) H. D. PHILLIPS.

No. 386. From the Superintendent Government Chinchona Plantations, Ootacamund, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 19th February 1866.

1. I have the honor to inform you of my intention to return to Ootacamund on the 21st instant, when I shall place Mr. Charles Dawson in charge of the Chinchona Plantation at Neddiwattum, as I consider him well qualified to take charge of the convicts when employed on this Plantation.

2. Mr. Dawson has now been employed on the Plantation for upwards of two years, and has shewn considerable judgment in the management of his laborers, and I feel confident that, under my direction, his management of the Prisoners will prove satisfactory to the Government.

No. 387.

ORDER THEREON, 20th February 1866, No. 459.

Miscellaneous.

The appointment of Mr. Dawson to the charge of the Neddiwattum Plantation is approved.

A proposition was made
by Mr. Noble, I think,
to give the charge of the
prisoners at Reddewell
to Mr. Dawson - and I
have since heard from
Mr. McLean that he is
disposed to place Mr.
Dawson in charge of
the plantation at Reddewell
as Capt. Nichols
is not qualified to have
charge -
This would remove the
difficulty about the
charge of the Crocker as
Mr. Dawson might have
power given to him
similar to those now
conferred on Mr. McLean
as regard the Dodge's
Crocker - Mr. Dawson
might have 500 or 600
per month a super-
intendant of the
farm or whatever he

denomination
~~there~~ would be -
and the arrangement
would I think suit all
parties - The Gov^t would
get its facts corrected,
and its Cereus planitia:
= trees cultivated at small
cost by labour upon which
dependence could be
placed -

Mr. Low would get the
labour cheap, and would
only have to pay 500
per month instead of
500 for Superintending
It would be as well to
keep this matter forward
as the season is advan-
cing & the trees are
defunct next month
