GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—again the following G.O., dated 15th February 1893, Mis. No. 654, Revenue :—
Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 30th January 1893, Mis. No. 628 :—

Read—the following letter from J. N. ATKINSON, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 19th January 1893, Disposal No. 76-Ver :—

In forwarding herewith copy of the Head-quarters Deputy Collector's letter No. 991, dated 2nd September 1892, regarding the inam granted for the upkeep of a choultry at Interu in the Bunder taluk, I have the honour to report that the trustee is not a resident of this district and has not, in spite of several notices, attended before any officer to explain his neglect. From this it may be presumed that the trustee does not desire to retain the inam saddled with a condition, and the Deputy Collector accordingly recommends the resumption of the inam and the transfer of the same to the Bunder Taluk Board on the condition of rebuilding the choultry and maintaining it in an efficient state.

2. The inam fair register shows that the endowment in question was resumed in fasli 1232 as being a subsequent grant, but that it was continued as a special case by the Inam Commissioner. This negatives the presumption that the inamdar has occupancy right in the land; and I therefore request that the orders of Government may be obtained to resume the land itself and transfer it to the Bunder Taluk Board. Their resolution agreeing to take up the inam is enclosed.

3. The title-deed granted for the inam has not been surrendered by the inamdar.

Resolution—dated 30th January 1893, Mis. No. 628.

Submitted to Government.

2. The Board supports the Collector's proposal.

3. The inam register shows that the lands were waste when they were re-assigned as inam by the Inam Commissioner in 1859.

To the Secretary to Government, Revenue Department,
with letter and enclosures in original (to be returned).

Copy to the Collector of Kistna.

Order—dated 15th February 1893, Mis. No. 654, Revenue.

The Board's proposal to transfer the inam lands to the Taluk Board is opposed to G.O., dated 11th October 1892, No. 1045, in which it was decided that it was inexpedient to oust a defaulting inamdar in possession, whether the land or the assessment constituted his inam. Although by the Government Order in question unoccupied inam lands were permitted to be made over to the Taluk Board, this rule does not apply to the present case in which the inamdar is said to derive an income of Rs. 40 annually from his land.

2. The Board of Revenue should therefore call upon the Collector to report whether the Taluk Board of Masulipatam is willing to receive the assessment of the lands in question *minus* the quit-rent and utilize it for the upkeep of the choultry at Interu.

(True Extract.)

(Signed) E. GIBSON,
Acting Secretary.

To the Commissioners of Land Revenue, with 3 enclosures, returned.
