The notification now
submitted is under than
that which was formerly
submitted to the Zamindar
in the order approved on G.O. 975
28.11.90
as it mentions the breaking
up of land for cultivation, the
pasturing of cattle & the firing
of vegetation, whereas the former
order alluded only to the clearing
of vegetation. Hence the necessity
for a further order.

Proceedings of the Board of Revenue

(Land Revenue.)

Dated 7 March 1893.

Forest No. 231. Mir

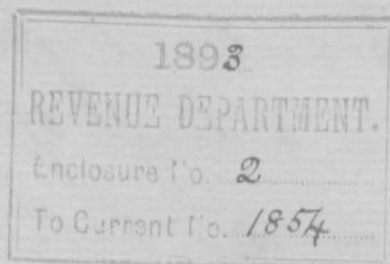

READ G.O. dated 30 January 1893, No. 81.

Resolution

Communicated to the Collector of Madras and the Conservator of Forests, Southern Circle.

2. The Collector is requested to ascertain and report the terms on which a lease of the area in question can be secured to Government, as also an estimate of the cost of purchasing the tract as directed in paragraphs 2 and 3 of the G.O.

3. The Board begs to submit for the approval of Government a draft of the proposed notification under Section 29 of the Madras Forest Act. It will be observed that the terms of the draft are wider than those of which notice was given to

to the Zemindar under G.O. 28-11-90. By
 the proviso to section 29 of the Act, the pro-
 posed notification itself should be inti-
 mated to the owner and his objections
 should be heard and considered by
 Government before the issue of the notifica-
 tion. The Board therefore recommended
 that the draft notification as passed by
 Government, may be forwarded with
 the required notice to the Zemindar, al-
 lowing him three months within which
 to prefer his objections, if any, before the
 Collector. The Board's acting third member
 has recently visited the Varasana
 Valley and he considers that the addi-
 tional delay will not make any
 material difference.
