For orders.

The Board says that
it has no complaints to make
regarding Pooley's Platform Ma-
chines; but this statement is
at variance with the remarks
of the Madras Depot Circle In-
spector which the Board com-
municated to Government
in its Proceedings of 19-9-92
no. 3609 and which the Govern-
ment communicated to the
Secretary of State in letter
no. 6 of 17-1-93 (under G.O.
of 14-1-93 no. 90).

As the Director General
of Stores has referred to this
last letter, it seems advisable
to ask the Board to explain
the discrepancy.

The Board does
not say whether it is necessary
to wire to the Director General
of Stores regarding the supply
of weighing machines. It may
be presumed, it is thought,

G.O. No. 1495 of 24 April 1893

The Board of Revenue
is requested to explain the
discrepancy between its
present statement that
it has no complaints to
make regarding Poble's
platform machines and
the remarks of the Madras
Depot circle Inspector
which the Board brought
to the notice of Govt in
its Props no 360 of 19-7-92
and which the Govt com-
municated to the Secretary
of State in letter no 6 of
17-1-93 - vide para 2 of
G.O. no. 90 of 14-1-93. The
Board will observe that
the Director General of stores
has referred to the above
quoted letter from this Govt
as confirming the unfavourable
opinion expressed in other
quarters regarding Messrs
Poble's supplies.

2. The Board is also re-
quested to state with
reference

reference to the closing
para. of the Director General's
letter whether the supply
of the machines referred
to therein is so very urgent
as to require telegraphic
communication being
sent to the India office.
