Resolution

In consequence of the unfavourable reports, received in January and July 1893, upon the conduct of the Sripuram minor from his late tutor and guardian, Mr. Potts, the Court resolved to remove him from Newington where it was feared that his bad example might have a prejudicial effect upon his companions, and place him under the sole charge of a European gentleman elsewhere. In Government order dated 20th October 1893, N^o 3858 read in the proceedings

read

read again above, Government sanctioned the loan of the services of Mr. V. S. F. Wilson, Inspector, Salt and Abkari Department, and that officer was directed in the proceedings quoted to proceed to Coimbatore and make the necessary arrangements for the reception of the minor there.

2. In September last Mr. Ellison, who succeeded Mr. Potts as tutor and guardian, had to report a discreditable incident in which the Sripuram minor was concerned, almost immediately upon his assuming charge; but he has since formed a much more favourable opinion of his pupil and has recently informed the Court that his behaviour has given no cause whatever for complaint, that his tone is good and that his association with the other minors is in no way harmful. Further, Mr. Ellison considers that it is inadvisable to isolate the boy altogether from his companions, and feels confident that he can exercise the needful control over him in future.

3. In these circumstances the Court considers that it would be best for the minor to remain at Newington and resolves to cancel Mr. Wilson's engagement. His services will accordingly be replaced at the disposal of Government.

4. The 2nd, 3rd and 4th papers read above in which Mr. Wilson asks for sanction for the purchase

of furniture and for the construction of two tennis Courts will be recorded.
