Order No 425/11th Jan 1858

(D)

Fort Saint George, Revenue Consultation of 12th January 1858.

No. 14. Read the following Extract from the Proceedings of the Board of Revenue; dated 19th November 1857, No. 4024.

Read letter from the Collector of Coimbatore dated 23d October 1857* requesting to be supplied with certain English and Tamil Types.

(Here enter No. 177.)

Resolved that the foregoing letter be submitted to Government with reference to Extract Minutes Consultation dated 21st September 1857, R. D., No. 963.

2. The Collector states that the quantity of Type first supplied for his Press is sufficient only for his District Gazette; delay in consequence occurs in printing other official papers; he therefore requests at least a further supply of Long Primer. The Board recommend that, under the explanation now afforded, this additional quantity of Tamil Type may be supplied to him as soon as possible.

3. The Collector reports that he has not yet received the English Type sanctioned in Extract Minutes Consultation 23d January last, R. D., No. 92.

(A true Extract.)

(Signed) J. D. SIM, Acting Secretary.

No. 15. ORDER THEREON, No. 42; dated 11th January 1858.

With reference to Extract Minutes of Consultation dated 21st September 1857, No. 963 the Board of Revenue, with their Proceedings above recorded, submit a letter from the Collector of Coimbatore, explaining the object for which the additional type is required.

2. As Mr. Thomas explains that the printing of official papers is delayed in consequence of the Long Primer type supplied to him lately being made use of for the Gazette published under his orders; the Right Honorable the Governor in Council authorizes the Superintendent of the Gazette Press to supply him, as soon as possible, with 150 lbs. of Long Primer tamil type, complete fount, and to submit for the same a contingent bill.

3. As regards Pica capital letters required, the Government observe that there is not a pressing necessity for the type in question. The only use that could be made of it would be in printing headings, and this object could be attained by getting the headings usually required, which it is presumed would be very few, cut in separate pieces of lead, the cost of which would not be great.

4. With reference to para. 3 of the Board's Proceedings, it is observed that the English type was despatched to Mr. Thomas direct by the Superintendent of the Gazette Press on the 14th October last by a cart.

(Signed) H. FORBES,
Acting Secretary to Government.
