Fort Saint George, Revenue Consultation of 12th January 1858.

No. 20. Read the following Extract from the Proceedings of the Board of Revenue; dated 10th December 1857, No. 4436.

Read letter from the Acting Collector of Masulipatam dated 11th November 1857.

(Here enter No. 206.)

1. Resolved that the above letter be laid before Government with reference to Extract Minutes Consultation dated 9th September 1857, No. 916, Revenue Department.

2. In para. 4 of this Extract, the Acting Collector was instructed to ascertain the value of the Choultry built by the late Head Sherishtadar Ramanooja Row and to pay him the amount reporting the payment for the information of Government. Mr. Knox states that the materials, of which the Choultry was composed were estimated at Rupees 436 when attached by the Collector in 1851, and that after 52 months Rupees 205-15-8 were realized by their sale. He proposes making over to the late Sheristadar some brass utensils belonging to the Choultry valued at Rs. 25-5-7 and paying him Rs. 768-10-7 in addition to the sale proceeds of the materials, making altogether Rs. 1,000; which Mr. Knox considers to be a fair equivalent for the building allowing for the cost of construction. Ramanooja Row in claiming compensation for the Choultry in 1853 valued it at Rs. 1,400, but has accepted the offer made by Mr. Knox.

3. The terms in which Mr. Knox mentions the arrangement he has effected lead to the inference that Ramanooja Row has been very liberally compensated for the loss of the Choultry and its site, and this conclusion is supported by the value assigned to the materials of the building in 1851. Looking however at the circumstances of the case, Government will probably be disposed to confirm the Acting Collector's proceedings and sanction the payment to Ramanooja Row of Rupees 974-10-3 made up of the two items Rupees 205-15-8 sale proceeds in deposit, and Rupees 768-10-7 the balance of the amount settled after deducting the value of the utensils returned to him.

4. The Board understand that the gross sum of Rupees 1,000 above referred to includes the value of the site and is in full of all claims on Government. The Acting Collector should have distinctly mentioned that this was the case and the receipt taken from Ramanooja Row will be carefully worded, so as to preclude all doubt on the subject.

5. The Board also remark, that the sale proceeds should not have been kept in deposit for so considerable a period.

(A true Extract.)
