Order no 485/12th Jan 1858

(N)

Fort Saint George, Revenue Consultation of 12th January 1858.

No. 26. Read the following Extract from the Proceedings of the Board of Revenue, dated 26th November 1857, No. 4229.

Read letter from the Acting Collector of Tanjore, dated 14th November 1857, forwarding a list of certain Tamil Types required for his Press and requesting their early transmission.

(Here enter No. 170.)

Resolved that the foregoing letter and its enclosure be submitted to Government with the Board's recommendation that the Types alluded to may be supplied to the Acting Collector of Tanjore as early as practicable.

(A true Extract.)

(Signed) J. D. SIM, *Acting Secretary.*

No. 27. ORDER THEREON, No. 48; dated 12th January 1858.

The Board of Revenue, with the Proceedings above recorded, submit a letter from the Acting Collector of Tanjore, requesting a further supply of tamil type.

2. On referring to the list furnished by Mr. Phillips, it is observed that the type required is in the English body. The object of this requisition is not explained in the Collector's letter, nor is it apparent to the Government. No District Gazette appears to have been yet established in Tanjore, and if any extra type is required for this purpose, the Government will be prepared to authorize a sufficient quantity in the same body as that supplied lately. If type in English body should be required to print headings, &c., it will be better to have only those letters of usual and frequent occurrence cut in lead, which can be done at a trifling expense, instead of indenting for whole alphabets.

(Signed) H. FORBES,
Acting Secretary to Government.
