Fort Saint George, Revenue Consultation of 12th January 1858.

No. 23. Read the following Extract from the Proceedings of the Board of Revenue, dated 27th November 1857, No. 4243.

* In Cons. 27th November 1857. Read letter from the Acting Collector of Guntoor, dated 11th November 1857.*

(Here enter No. 152.)

Resolved that the above letter, with the statement enclosed, be forwarded for the information of Government.

2. In Extract Minutes of Consultation under date 29th September 1857, No. 993, R. D., Government were pleased to sanction, as a temporary arrangement, an increase to the salaries of certain Moonsiffs in Guntoor, as proposed by Mr. Newill, and desired that the present Acting Collector should be instructed to carry out the measure. In the letter above recorded, Mr. Cotton reports that his predecessor's proposal was brought into operation in anticipation of the orders of Government, and explains that the excess Rupees 36 is owing to Mr. Newill's Estimate having been a rough approximation.

3. The statement shows that 76 Moonsiffs had their salaries increased by 6 Rupees each, 21 and 16 received augmentations respectively of 12 and 18 each. The total number the Board remark is erroneously given at 114 instead of 113.

4. The Board report these Proceedings, because they are not quite certain whether in E. M. C. 29th September last (No. 996 R. D.) Government intended that 900 Rupees per annum should be the maximum allowance. The Board would recommend that 1000 Rupees should be named as the limit for the present, and that expenditure within need not be reported for Government sanction every year.

5. With reference to para. 3 of the Extract Minutes Consultation the Collector will state the actual number of Moonsiffs in the District, and the aggregate salary.
